*for* TEACHING ME  
THE DIFFERENCE  
BETWEEN MEDIUM &  
**MEDIUM RARE**

When Dad cooked steak, he had one rule: medium rare and medium rare only. Most of the time, I followed his rules, but this one was tough to abide. I didn’t quite appreciate the flavor profile or the juicy red center, so I’d throw mine in the microwave for a few minutes when Dad wasn’t looking.

One time though, he caught me. He wasn’t mad, but I could tell he was disappointed. It wasn’t until I got older and my taste buds matured that Dad’s rule finally made sense. Now I know there is a difference between medium and medium rare...and it turns out Dad was right all along. Just don’t tell him I said that.
