Steak sears above the hot coals. Smoke escapes the grill. The familiar aroma of backyard barbecue fills the summer air, testing the patience of children and parents alike. Anticipation builds. Appetites increase. All worth the wait.

Because where there's smoke, there's fireworks. Expect bursts of bold flavor. Expect faces around the table to light up like the night sky. Expect only the best from The Kansas City Steak Company.

CHEF'S CHOICE

The Filet is one of my favorites. It's cut from the center of the tenderloin, yielding tenderness unlike any other. When prepared properly, the Filet melts in your mouth, always leaving you wanting more. It's typically seared on each side, finished over a lower heat and then served medium or medium rare. Steaks from The Kansas City Steak Company are wet aged before they arrive at your door, so even a cut as tender as the Filet will be exceptionally tender after it's cooked to perfection in your kitchen or on your grill.

CHEF’S CHOICE

The Kansas City Steak Company’s American Style Kobe Beef has an exceedingly tender, delicate texture. I consider it the ultimate in “luxury beef.” When properly cooked to medium rare, it bursts with a rich, buttery onset, followed by a hearty, earthy finish that delights the taste buds.

To achieve that, bring American Style Kobe Beef to room temperature before grilling, pan searing or roasting, as overcooking it will melt its delicate marbling that imparts inherent richness and tenderness. Respecting the craft of this high-quality beef yields unmatched texture and flavor.

Our American Style Kobe Beef is exquisitely marbled for an exceptional flavor experience, the result of crossbreeding Japan’s world-famous Wagyu with American Angus cattle. Almost as impressive as the beef itself, it’s delivered in a handsome gift box.
